

DR ROUND & PARTNERS
at Probus, Grampond, Tregony & Summercourt

Dear Patient

Probus Surgeries Patient Participation Group (Probus PPG) with the support of the Practice would like to ensure that the views of patient's are fed into the Practice regarding the services they deliver and any changes or new services that are being considered.

We would like to contact as many patients as possible and would like to compile a list of email addresses so that the surgery can contact you every now and again to ask you a question or two.

If you would be willing to add your email address to our contact list, please leave your details on this form, or provide your details over the telephone or by email to Shirley.Mugford@probus.cornwall.nhs.uk.

Your contact details will only be used for this purpose and will be kept securely within the surgery and you can remove your details at any time without reason.

Thank you
